

| Distanza               |        |
|------------------------|--------|
| Distanza totale        | 3,2 km |
| Distanza della traccia | 3,2 km |
| Distanza in salita     | 1,6 km |
| Distanza in discesa    | 1,3 km |
| Distanza in piano      | 316 m  |

Line graph showing the elevation profile of the route. The x-axis represents distance in kilometers (0 to 3), and the y-axis represents elevation in meters (512 to 704). The profile shows a steady climb from 512m at 0 km to a peak of 704m at approximately 1.5 km, followed by a descent to 448m at 3 km.

| Distance (km) | Elevation (m) |
|---------------|---------------|
| 0             | 512           |
| 1             | 600           |
| 2             | 650           |
| 3             | 448           |
